- Royal Flush - Solve the clues to find each card:**

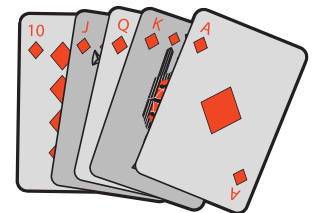

Ace - I can be high or I can be low but I'm always happy as a pup on hound heaven.

King - I'm not royal and I don't flush but I'm hidden behind the door of the throne nearest the lodge.

Queen - I'm not the Queen of England but I'm the queen of the hilltop. Come find me at the tip top of the hilltop and enjoy the ride down :)

Jack - Dahlie's connector is no trouble for me, I am a Jack rabbit that skis far.

Ten - Ski as far as you can on Jack pine flats. I'm not a Jack but when you ski this loop you will be a ten in my books.

- Bonus:** Dress for Hawaii and post your selfie on Facebook using the hashtag #AlohaFromSmithers to be entered into a special prize!

**Drop off your list with a cash donation for Smithers Food Bank in front of the Lodge or at the Lower Parking Lot kiosk for a chance to win a chocolate bar!**
