

CHAIR REPORT

The Bulkley Valley Cross Country Ski Club had a successful 2025-2026 season.

Our club had a record 1283 members. We also sold approximately 2200 day passes.

The word is out. Cross country skiing is fun!

BVCCSC hosted a number of competitions and social events.

We had 244 athletes in the Northern Skills Development Program. This includes 4 year old Jackrabbits to Masters and Biathlon.

Our club provided recreational skier programs. Ski S'Kool hosted 955 students. Drop in adult lessons were also popular.

These are encouraging numbers for a growing club in a small town.

Behind those numbers are many people making it all happen. I am proud to be one of these people. For many years I skied without a real understanding of the effort it takes to keep everything working and the club moving forward. If you would like to be part of this team, please reach out to myself or any board member. We would love to find a place for you.

How does it all work? There are too many people to mention here but special thanks go to our long standing board members, the sponsors, our GM Jan Wengelin with his team, Head coach Andrea Stapff and team, and the volunteers who show up for us. Now, with a little help from Mother Nature we can all hope for another successful, snow, and fun filled season.

See you on the trails,
Tammy Woods
