

Late Sept 2026 Newsletter

BVCCSC is grateful to be located on the unceded territory of the Wet'suwet'en
I like you: *Nyunist'iy*. So many great folks in our ski club community ☺

ANNUAL GENERAL MEETING SUNDAY, NOV 1:

4-6 pm, Old Church, 3704 1st Ave. Beloved Members, **please** think about joining the board, either in a specific role (treasurer, director of operations) or as a member at large, to help guide the club. If interested, contact anne@bvnordic.ca. AGM Background documents will be available by mid-October on the BVCCSC website & links to them will be included in an email sent to all members in mid-October. If you feel like bringing treats too, we would be thrilled with savoury ones ☺

YES, WE NEED A TREASURER:

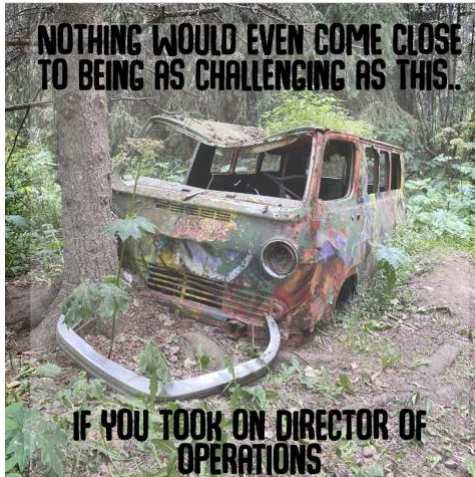

We need you! We (the board) are a friendly bunch with a love of skiing & a shared vision of improving our club operations & ski programs. This is a volunteer role & you would work with the assistance of a bookkeeper to keep our club finances in order.

A background in bookkeeping or other finance could make you an invaluable new treasurer. Our outgoing treasurer is here to help you ease into this important role. If this could be the next chapter in your ski life, please reach out. WE WOULD LOVE TO HEAR FROM YOU! For more info, email tammy.woods@bvnordic.ca.

YES, NEED A DIRECTOR OF OPERATIONS:

Help shape the future of our Nordic Centre; as a director-at-Large, you'll work with community partners to help keep our trails, buildings and equipment running smoothly, support Nordic Centre projects, and make sure we're planning for the future. It's a great opportunity to bring your ideas, experience and enthusiasm to the table and help make the Nordic Centre even better for everyone! WE WOULD LOVE TO HEAR FROM YOU! For more info, email tammy.woods@bvnordic.ca.

SEARCHING FOR SKI S'KOOL INSTRUCTORS!

BVCCSC needs instructors for our popular Ski S'Kool program which offers ski lessons to elementary school kids from January-March. If you are new to coaching, the club will support you to get the training you need; you do not need to be an elite skier to be a great coach!

NEW THIS YEAR a higher honorarium for instructors who commit to coaching 7+ sessions, you will also get an instructor manual that outlines lesson plans, games & skills for each age/skill. This program is highly valuable to the community & committed instructors are greatly appreciated! Sessions are Tuesdays & Wednesdays: 10-11:30 am/12:30-2 pm, & Thursdays 10-11:30 am (instructors can be available for as many sessions as they like. BIATHLON UPDATE:

A lot has been happening; we hosted the club's first ever summer biathlon program, regular sessions saw three youth & five masters attending practices, three youth & four masters attended provincial biathlon camps, & Nils organized a shooting camp. Our physical site also saw lots of action with the cabin being refinished, grass mowed, new paper target hangers, & we applied for the BVCU grant for stage 2 of the biathlon roof project.

KAL TIRE, YOU, and CCBC:

We are in 2nd place in the Kal Tire Discount Contest through CCBC! As a reminder, the top six clubs based on per-member redemption rates will receive prizes! Please consider being safer on the roads & buying winter tires from Kal Tire to show appreciation them for supporting our sport.

WORKBEE HEROES:

From Jan, our GM- The Work Bee was another success with 72 people attending, taking care of 28 different jobs. With a soft start at 9 am & efficient work until 12:30 pm, this club really knows how to get things done!

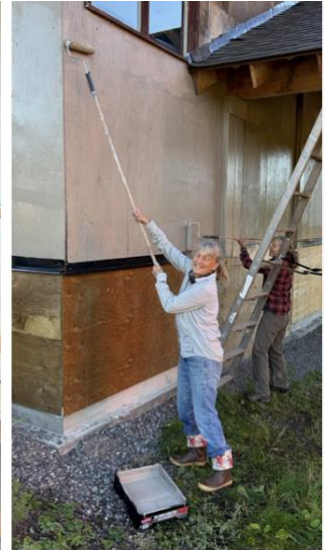

Everything from painting, staining, washing, brush cutting, tree bucking, rock picking on trails that saw trail bed updates, clean-up of the crawl space, weed whacking, trail gate painting, grass seeding, volunteer check-in, BBQ cooks, clean-up crews, and many more fun items, were accomplished.

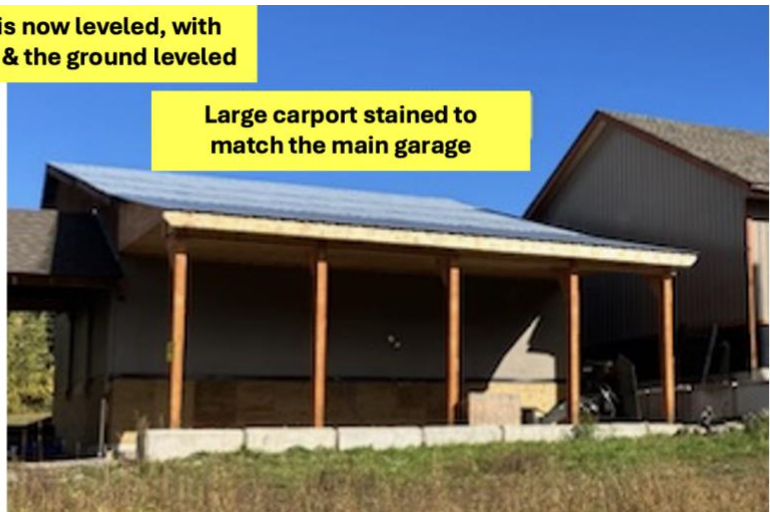

It's amazing what we can get done together, as one large group, and together take responsibility of what we care about. We always finish the WorkBee with a good *Oll'* BBQ where we had time to chat and relax.

Many Thank You's to everyone that took part on that sunny Sunday. For you that did not take part, you can say thanks to your fellow members, and we'll see you at the WorkBee next year;)

And a giant thank you to GM Jan: getting supplies, instructions, & equipment set up for each of the 28 jobs!

The outhouse is now leveled, with new vent pipes & the ground leveled

Large carport stained to match the main garage
